Carolee Horne Cope ClayandAudrey Harmon SC has a few parks that are free to enter.. I think they are located in the lower part of the state.

at 12:15:49 on 11/20/2021 UTC

Matthew Brophy Sounds like a great deal, right? Did you know that during this "Global Pandemic" SC chose to raise its yearly pass 100%? From a general entrance fee of \$50 a year to \$100 dollars a year? I'm so disappointed in our state leaders that they would do such a thing in our State. This is all just window dressing for us to see and keep us from seeing the real truth. They only want "affluent people" who can afford the entrance price. This "marketing move" is designed to placate the masses. The Core sites on Lake Hartwell are all free during these trying times. Use them!

Tim J Merrill Matthew Brophy really? Being able to afford \$100 for a state park pass is "affluent"? Wow! It a damn conspiracy! It's \$10 a person without a pass. I'd use up \$100 in less than a month just going fishing. \$50 was damn cheap. But \$100 annual pass isn't to keep the "riff raff" out. Since the pandemic, the cost of doing everything has gone up. Thank your current president and administration for that.

Matthew Brophy Juliana Brenda Smith-Candioto I've tried twice, once at Paris mountain and the other at Saddlers creek. Both quoted \$100 but justified it by saying there was no upgrade

anymore and that it was usable at the beaches at the coast (which used to cost \$75). Maybe they had leftovers? The website say \$100 for an instate pass. There are discounts for seniors and veterans

RM Lovvorn Linda Barnes Brink The state does not support the park system at the level it takes to maintain and run them. The legislature decided that rather pass that cost off to you, instead of putting it in the state budget. So they have to charge a fee. Write your congressman until them you'd like the parks to be fully supported.

at 11:38:39 on 11/22/2021 UTC

RM Lovvorn Matthew Brophy Check your public library. Mine has state park passes you can check out for a week at a time so you can get access for free.

at 11:41:12 on 11/22/2021 UTC

Escott Bergren They changed the price before the pandemic and it was like \$75 before. They offer a cheaper pass than is regional to some areas. Im just sad to hear so many assistant rangers were let go during the pandemic that they never brought back after years of hard work for poverty wages.

Dana Hechel Smith Linda Barnes Brink you can't afford under 10.00 to enjoy our state parks??? It takes money to keep these parks clean from the nasty people who throw trash all over nature... Clean up after storms, bathrooms clean after nasty people toss TP everywhere... Your comment is not only entitled but ridiculous! 😊

Dana Hechel Smith Cheryl Rourke 8.00 for a car full is not expensive. This helps keep our parks clean and run properly... It's not a huge price to pay to be able to enjoy nature with

family! Smh

June Adkins They changed to go into hunting state park and even if you are a senior citizens you still pay but not as much for the other ones and they charge for each person and kids
at 22:59:17 on 11/22/2021 UTC

Juliana Brenda Smith-Candioto Ginny Fratino Senior discount for us. But really 99 is not bad for a yr pass. Would have pd that if we weren't seniors. You pay 8.00 pp for adults. If you go even 1 day a week with a car load the pass pays for itself. Plus you get two free passes to castle and a few other things on the yrly pass. So definitely worth the 99.00
For a year

The All Park Passport is **\$99** and provides unlimited entry to all South Carolina state parks for everyone in the pass holder's vehicle. The hangtag pass is valid for one year from the date of purchase and can be transferred from one vehicle to another.

at 23:31:35 on 11/22/2021 UTC

Juliana Brenda Smith-Candioto Ginny Fratino just go right to the park. We bought last yr at the booth before you go thru it the lady took our payment and gave us the pass This year we wanted to get another and the guy just told us to go to the store up the rd inside the park to get it.

at 23:42:00 on 11/22/2021 UTC

Ted Wroth Janie Sanders Rothell passes aren't free for seniors but we do pay a reduced rate. All Parks require daily maintenance and environmental services. Park naturalists are employed to teach, guide and staff services. They receive a salary or hourly wage that's funded through the park pass. There have been some in power trying to reduce or eliminate park land.
