Happy New Year and best wishes for a successful legislative session.

The South Carolina cable industry provides approximately 27,000 direct and indirect jobs in our state, with an annual economic impact of \$3.9 billion dollars. Our companies strive to provide the best broadband, telephone and video services available.

The S.C. Cable Television Association continues to represent Charter Communications, Comcast Cable Communications & Atlantic Broadband. Charter Communications purchased Time Warner Cable in 2016. If you or your constituency should have any issues regarding the services provided by these companies, please do not hesitate to contact me.
