Kathryn,

Thanks for reaching out, unfortunately the governor does not have any availability to join y'all at this time. However, please feel free to stay in touch and I'm happy to let you know if anything changes.

Thanks,

Chaney

Hi Chaney,

I am Kathryn Milofsky a producer for Good Morning Britain the flagship UK's breakfast tv show like GMA and Today. We would love to do an interview late November 21st with the phenomenal Governor Nikki Halley from a studio near where she is. . We are looking at doing this at 7am GMT which is 2am ET , Or 6.40am ET which is 1.40am ET.

The interview is via satellite with Piers Morgan our anchor in London.

Of course we wish to focus on the pivotal role she played in the election of President Elect Donald J Trump, her role now and how and how she sees the cabinet shaping up to Make America Great Again.
As well as her take on the key issues that are of great concern to Americans, and the possibility of her being offered the role of Secretary of State.

Here is a link to our website.

We can organize transportation to a studio and meet any other requirements she may need.

Looking forward to hearing from you.

Best
