Dear Sir:

I am writing to request a listing of Durable Medical Equipment Providers for the Community Long Term Care Program for the state of South Carolina.

We supply your providers with many of the products used in the program and are providing services like repacking of products to meet CLTC's reimbursement criteria. I would like a list of providers to make sure your providers are all aware of the services we provide.

Thank you for your assistance. If possible, I would prefer it by email
