Subject: CSG eCademy: Federalism in the Legislative Branch, Aug. 4

Unfunded mandates. Congressional imposition. The erosion of federalism. These terms often are tossed around as states and the federal government continue to navigate the tricky waters of federal-state relations. In the second of three FREE webinars about the state of federalism as it impacts states, CSG will explore the roles of the Congress and state legislatures, highlighting the inter-workings of congressional and elected state legislators. **More...**
