**PETITION TO CONGRESS AND OUR STATES -- SAVE INNOCENT LIVES**

**PASS PERSONHOOD ACTS and HUMAN LIFE AMENDMENT NOW**

Running on campaign promises for decades to protect innocent life, NOW is the time for you to DEMAND the introduction AND passage by Congress of the Human Life Amendment! Likewise, in many states the pro-life movement has elected in their legislatures sufficient majorities to move forward PERSONHOOD bills for protection of the unborn.

Further, the majority of Congress has been elected repeatedly on the promise to DEFUND and REPEAL ObamaCare -- and most specifically, to ensure that NO federal taxpayer funding would subsidize abortion on demand. Pro-Constitutionalists in the GOP have assured us that the Republican Party retains its historical commitment to liberty for all Americans, which under their majority would be safeguarded. Yet new policy analysis exposes that some 111,500 abortions WILL be performed at taxpayer's expense under ObamaCare, ObamaCare WAS JUST FULLY FUNDED, and we will be subject to compulsory, adversarial ObamaCare home inspections at the discretion of Washington bureaucrats and federal agents.

Our most innocent Americans -- babes in the womb -- are being neglected in this fight instead of being given due recognition as HUMAN LIFE worthy of constitutional protection from MURDER.

I WILL NOT BE COMPLICIT IN THIS UNHOLY CARNAGE AGAINST THE INNOCENT UNBORN OR THE DESTRUCTION OF MY FIRST AND FOURTH AMENDMENT RIGHTS BY OBAMACARE! I DEMAND YOU UPHOLD YOUR OATH OF OFFICE AND DEFEND THE RIGHTS OF THE UNBORN!

In 2010, We the People rejected in crushing election results the left's socialist agenda AND their legislative encroachments upon our individual freedom, and our Constitution.

I DEMAND a legislative reversal of the judicial outrage of *Roe v. Wade's* "legalized" murder. Personhood protection MUST be pressed and passed by our sovereign States, to counter a corrupt elite that misrepresents our vulnerable infants as "fetuses" to be slaughtered in the womb.

I urge you to VOTE DOWN any and all bills that do not in word and substance STOP our tax dollars from going to ObamaCare anti-life mandates, and to defund Planned Parenthood immediately. Fourth Amendment safeguards such as H. 3101 from the 112th Congress must be reintroduced to stop the ObamaCare invasion of our privacy.

OInnocent pre-born lives must be recognized and protected as human persons deserving of the equal dignity, rights and legal protections we all enjoy.

Abortion and ObamaCare are un-American, unwanted and unconscionable. YOU still have the power to DEFUND and DESTROY them both. DEFUND ObamaCare abortions and Planned Parenthood and END the entire depraved, pro-death abortion culture, before it destroys us right along with our Republic.

Sincerely,

LEONARD A LONG
