Why Caregivers Lie

Do you feel the need to hide your true feelings when caring for your loved one? Seventy-three percent of caregivers admit they do, but what is driving all these fibs? [Find out why »](#)

A Typical Day in a Senior Rehab Facility

Whether a love one will be in the facility for a few days or a few months, you'll want to know what to expect and be prepared. Get a glimpse of what a stay in rehab is really like. [Read More »](#)

My Pills: The Four I Take Regularly

As your age increases, it seems that the number of medications you take also grows. One of our bloggers shares his personal experiences with a "less is more" approach to meds. [Read More »](#)

Hospice Care for Advanced Dementia: When Is It Time?

Too few people are aware that they or their loved ones do not have to be dying from cancer or experiencing serious pain in order to take advantage of end-of-life care. See how those in the later stages of dementia can benefit from comfort care. [Read More »](#)

Questions and Discussions From Caregivers

Q: When did you feel that it was best for parent to go to skilled nursing facility?

She was hospitalized recently and a social worker told us the doctor thought it was time for her to go to a nursing home.

Q: Why does my mom steal food from others?

It seems she is hungry all the time.

Q: How do I make my husband's emotional distress easier for him?

It looks as if he is aware of his helpless condition and has decided he no longer wants to live.

Q: How important is an aging loved one's social and emotional wellbeing?

I'm just so busy addressing her medical and physical needs and helping her with ADLs.
