Judy,  
Hope all is well.  
I wanted to follow up with the video request - are you still planning on sending us information about the exciting event for us to review.

Thank you,  
Katherine

Good Morning Katherine,

I hope to send you the information you requested about Sun City's 20th Anniversary Celebration later this afternoon. It has taken some time to compile many facts that will assist in writing or videotaping a congratulatory message to our community.

Thank you for your patience and we look forward to Governor Haley's video.
