Seems like a good idea. You handle this as you see fit.

Lt. Gov. Bryant,

It was a pleasure speaking with you at the RLGA meeting. As a SC resident, I'm very happy to have you representing me in Columbia.

Per our discussion, this is the online publication we host here in SC: www.PalmettoBusinessDaily.com (we had more than 100,000 story reads last year and hope to hit 200,000 this year)

We'd love to set up an interview to talk with you about your priorities for the SC economy, business, etc.

In addition, here a story on the Charleston Library situation we discussed: <http://palmettobusinessdaily.com/stories/511103873-parents-object-to-placement-of-sexually-explicit-books-in-charleston-library>

Please also let me know if you'd be interested in speaking at the Historic Charleston Rotary Club sometime. I'm a member, and would love to coordinate that with your schedule.

Again - thanks for chatting last night and today. I hope you have safe travels back upstate.

Thanks,

Curt Mercadante
