I was told by a park manager that my son's junior ranger accomplishment an photo most likely would not be posted because one had just been posted from his park why post one & not all ??? Where's the fairness in that ??? Shows real encouragement don't ya think !!!!!

Mr. Payton, we are happy to post your son's photo if you give us permission and you or the park sends us a photo. We do not have a limit or quota on the number of Jr. Ranger photos that we post. There must have been a misunderstanding between our office and the park. Please send us the photo along with a statement of permission and we will be glad to celebrate your son's accomplishment. Thanks!
