Dear Ms. Adams:

I hope this message finds you well. Please see below a public records request I am submitting today.

Thanks much,

Spencer Woodman

--

Under the South Carolina Freedom of Information Act, §30-4-10 et seq., I am requesting digital records of all emails South Carolina Governor Nikki Haley sent or received between June 1st, 2015, and December 1st, 2016, that contain any of the following key words and/or phrases (quotation marks below simply denote phrases in which words should be searched together):

"United Nations"

France

Russia

Britain

"United Kingdom"

UK

China

PRC

Taiwan

India

Syria

Iraq

Iran

"North Korea"

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$15. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of government and I am a freelance journalist who regularly writes for a number of national outlets.

This information is not being sought for commercial purposes. The South Carolina Freedom of Information Act requires a response time within 15 business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Please feel free to reach me by phone at [919-418-0817](tel:919-418-0817) if you have any questions.

Thank you for considering my request.

Sincerely,

Spencer Woodman
