The giant leatherback sea turtles are back in the area and have been seen from the Myrtle Beach State Park pier, recently! Get out to our pier and try and spot these 1,000 pound beautiful beasts! Also, join us on Saturday, May 5, for our 6th Annual Totally Turtles Day to learn more about these and other sea turtles! More info here: <https://southcarolinaparks.com/products/10004128>
