Dear Sir:

I sent a formal invitation in the coming weeks but wanted you reach out to you in hopes that you will be able to join us for the groundbreaking of our new manufacturing facility on September 12, 2018 @ 10:00am .

This is a celebration of our \$46million expansion in Greenwood SC. This expansion will create 45 new jobs.

If you are able to attend, we would like for you to have a part on the program to speak briefly about what this investment means for the state.

After the ceremony, there will be an opportunity to tour the plant and meet Lonza corporate executives.

I know your schedule is extremely busy, but hopefully that day will be free and you can join us.
