Dear Gov. Haley,

5/11/16

Undiagnosed medical conditions of the eyes resulting in legal blindness costs taxpayers money with lost work and increased burden on the Commission For the Blind.

Please keep spectacle prescriptions together with eye health exams.

Please support and sign S.1016!

(Then hopefully we won't have to use such large print to help more visually impaired citizens)

Sincerely,

Randall Baughman, Greenville, SC
