Dear Governor Haley,

I greet you in the name of  
Jesus Christ. I am but a mere  
mortal, but my humble heart is  
beating. I have been dealing  
with social services, here in  
Spartanburg, S.C. I've been keeping  
a little Angel with broken wings  
in my home. I will not call her  
name, but this little Angel has  
touched my heart. Governor Haley,  
we see children, that must rely  
on D.S.S., to protect them, but the  
case markers are over loaded, is  
devastating to me. Children, are  
human beings, and they should  
be protected. I've always told  
the ANGEL in my care to tell  
her case marker the truth. I  
told her God sends special An-  
gels, to mend the broken wings  
of this little Angels. Now Governor

Haley, I pray daily, that my grand  
child will never be placed in  
a foster home, if anything should  
happen to his mom or I. I pray  
he will be with my loving  
family, and his needs are put  
first. Governor Haley, we are living  
in perilous times, and all children  
are vital to the society in which  
we live. More emphasis is put on  
returning the child to his, or her  
parents, than the welfare of the child.  
Every child's future should be protected  
first, and then returned home if it  
is in the best interest of the child. A child  
is a gift from God. New laws must  
be written & our top priority, in saving  
all children. Governor Haley, I know  
this letter will never reach your desk,  
but perhaps it will reach one  
of God's adult Angels, sent to  
mend the broken wings of our  
children, & grandchildren. Thank  
you Governor Haley, for under-  
standing the importance of each  
child's cry, that is heard through  
out the world.
