The SC Board of Registration for Professional Engineers and Surveyors is an LLR Board established by SC Code Section 40-22-10. The board consists of both professional engineers and surveyors, and a general public seat.

The only vacancy on the board at this time is a professional engineer seat. Upon the recommendation of the SC Council of Engineering and Surveying Societies, the Governor has decided to appoint Dr. Jeff Mulliken, Ph.D. to this seat. His appointment is pending and will be finalized in the near future.
