Dear Friends,

On behalf of the people of the Palmetto State, I am pleased to welcome you to the 2015 South Carolina State Society Daughters of the American Revolution Spring Conference.

We have been blessed by the legacy of service provided by Daughters throughout the state. From the preservation of some of our most-treasured historical sites to your contributions to students and education through scholarships, programs, and your support of the Tamassee DAR School, your generous gifts of your time and talents will benefit our state for generations to come. We are grateful for your patriotism and proud of the work you do on so many levels.

Michael and I hope you have a wonderful Spring Conference. God bless.

My very best,
