Momentum is on our side

Hello ,

Thank you for signing up to follow the Bright for Senate campaign! We are off to a very exciting start and couldn't be more pleased with the progress we're making to unseat Lindsey Graham.

This newsletter will offer a behind the scenes view of this race, as you will receive the latest news before it is posted anywhere else. So please be sure to keep up and help spread the word about all the latest developments!

Here's a brief recap of the progress we've made within just 45 days of the campaign:

- **The grassroots are quickly unifying behind Lee in a big way.** All the Tea Party and Liberty groups are siding with our campaign, which is having a tremendous impact on so-called "undecideds" as well.
- **We just finished this first fundraising quarter and the numbers are strong.** We were able to hit our fundraising goal in spite of the fact that Lee was the last candidate to announce.
- **Lee is making his media rounds and bringing increased attention to the campaign.** We are pleased with the amount of coverage our race is receiving, and look forward to this really picking up in the next few months.

In order to keep this momentum on our side, we need your help! Please see below for ways you can get involved and assist Lee Bright in replacing Lindsey Graham.

Thank you,

Team Bright
