Dear, Friend

At my old School the kids used to  make fun of me. I didn't have many friends and my teachers would always push me. I would always go home thinking I was really dumb and never knew anything. No until I came to Sandhills. It made my life a whole lot easier.

 **THANK YOU**

Dear Legislators and Friends,

**Palmetto Kids FIRST** is South Carolina's only independent and *non-partisan* Scholarship Funding Organization (SFO). Since 1/1/2014 we have raised approximately \$12 million from 575 individual donors ranging from \$100 to \$2.75 MILLION each. In just 11 months we have allocated over \$11 million dollars of K-12 scholarships to eligible "special needs" children – that is nearly 1,500 scholarships at 43 schools all across SC (and issuing more everyday)!!! IT WORKS!!! Together we are "changing lives", but we need your help. **PLEASE JOIN OUR CAUSE!!! Let's all put aside any perceived politics (this really is about the kids) ... and let's all put our "Palmetto Kids FIRST".**

Enclosed is a **Thank You Card** from one of our kids, parents, or school officials. Please support our call for **#1 PERMANENT LAW** and to **#2 RAISE THE TAX CREDIT CAP** during the 2015 legislative session. It works, we have proved it, and SC taxpayers support it. We need your support as well.

**THANK YOU**, from all of our **1,000s** of "special needs" kids, their families, and our partnered schools.
