Steve,  
Thanks for talking with me yesterday. Given Bill's response I think I will pass on next week's meeting. I am thinking you two might want to work out details before bringing in others of us. All good on my end and still very supportive of this project. Have a great weekend.

Bill,

Hope all is well with you. When we last spoke you mentioned that plans were under way for a meeting regarding the Lexington transportation project. At that time you mentioned you might want me to participate in that meeting. Just checking to see if a date and time has been selected and if you still need/want me to participate. I am happy to do whatever you and Steve deem appropriate to accomplish the goal.

Thanks again for taking on this important effort to get seniors to services.
