Dear Partners In The Harvest:

*More than 2 million American children have experienced the impact of a parent serving two wars in Iraq and Afghanistan. About 1.5 million of these children experienced clinical depression today.*

Marilyn and I share these staggering statics to show the need to reach these precious ones and their families for the Lord Jesus Christ! Pray with and for us as we travel and share all our Lord is doing among our military men and women.

As we enter what I like to call "The Lazy Days Of Summer" Marilyn and I will be busy sharing in churches, mission gatherings, children groups, etc.... all our Lord is doing and how folks like you can have an eternal impact. We would covet your prayers in several areas.

- 1). That we will always have a servant's heart and a teachable spirit.
- 2). That our Lord will continue to open new doors of ministry to share.
- 3). That God will provide for us financially to continue serving Him and blessing

others.

Marilyn and I are always humbled and thankful for your love, prayers, and support. May each of you have a blessed day as you faithfully share Jesus with others!

Yours For Today's Military,
