Katherine,

I hope you are doing well. I apologize for not reaching out to you sooner in my term, but my name is Joe Wright and I serve as the Student Body President at USC. I believe you came in our office a while back and you gave your contact info to our advisor, Ms. Theresa. I also believe you are a former SG member, which is always a nice connection!

If you have some time over the coming weeks, I would be open to possibly get together to discuss how the Governor's office and our office can work closer together on higher ed issues. I know higher education is important to the Governor, and I have enjoyed working with her even before she came into office. Let me know your thoughts, and I look forward to hearing from you soon!

Best,

Joe Wright
