Here's the slight tweak for Summer Reading Camps. Thanks.

CLS

1.84. (SDE: Summer Reading Camps) For the current fiscal year, funds appropriated for summer reading camps must be allocated as follows: (1) \$300,000 20% to the Department of Education to provide bus transportation for students attending the camps; and (2) the remainder on a per pupil allocation to each school district based on the number of students who scored Not Met 1 on the third grade reading and research assessment of the prior year's Palmetto Assessment of State Standards administration. The reading camps must provide an educational program offered in the summer by each local school district for students who are substantially not demonstrating reading proficiency at the end of third grade. The camp must be six to eight weeks long for four or five days each week and include at least five and one-half hours of instructional time daily. The camps must be taught by compensated, licensed teachers who have demonstrated substantial success in helping students comprehend grade-appropriate texts. Schools and districts should partner with county or school libraries, community organizations, faith-based institutions, pediatric and family practice medical personnel, businesses, and other groups to provide volunteers, mentors, tutors, space, or other support to assist with the provision of the summer reading camps. In addition, a district may offer summer reading camps for students who are not exhibiting reading proficiency in prekindergarten through grade 2 and may charge fees based on a sliding scale pursuant to Section 59-19-90 of the 1976 Code, as amended.

Christian,

Attached is a document which shows the Proviso decisions I still show as pending from your spreadsheets as well as any that I wasn't clear on the change.

I have also attached the full proviso document as amended so far.

Debra
