I am a Cub Scout leader with pack 700 out of Summerville, SC And a leave no trace trainer. My 3rd graders with the help of the Tread Lightly organization made posters for ethical behavior in the outdoors. The boys decided on what they felt were the most important behaviors people should be aware of. My den received the posters today and to help spread the word we wanted to know if we can contact the local state parks in our area to distribute some of them. My number is 765-524-1422 or you can email me At micahandjenniferhudson@gmail.com
