

South Carolina Department of Transportation

2015 Major Flood Report

Statewide Operations

(8:00 AM- REPORT)

October 29, 2015

Statewide Summary – SCDOT Operations opened 1 road and 2 bridges since this time yesterday. 12 hour shifts continue in recovery areas. There are now 57 roads and bridges under contract for repairs.

SCDOT (construction group) and FHWA damage assessment teams continue to work to manage and expedite ongoing contract repairs in accordance to FEMA requirements.

SCDOT debris removal contractors continue to work in several counties.

87 Crews working on road and bridge closures

567	Maintenance Employees Working on Road and Bridge Closures
1958	Maintenance Employees Working on Storm Related Damage and Routine Maintenance Operations*
102	Roads Closed Due to Flood Event (See attached closure list) This number includes 30 bridge closures

There were 105 road and bridge closures yesterday.

* Note that work continues towards complete restoration even when roads are open to traffic. **Drivers are required to use extreme caution in areas where crews are working.**

There are 14 locations where Primary Roads are Closed. (see report attachment for details.)

SCDOT Headquarters

Engineering continue to facilitate recovery operations and manage debris removal by contractors.
