Subject: Two Executive Orders re. Winter Weather

Governor,

Following the winter weather emergencies over the weekend, two Executive Orders have been requested from you, both of which follow standard post-event protocol:

- (1) **Waiving Hours of Service requirements** for truckers when a neighboring state has waived requirements—state law requires us to waive the requirements when NC or GA has, and in this case, NC has due to the winter storm;
- (2) **Granting leave with pay to state employees** who missed work as a result of winter weather—in this case, two counties were on a delayed opening today in Lancaster and Spartanburg Counties.

We will have the Orders prepared for your signature tomorrow.

Thank you,

Rebecca
