Dear Nikki,

Does your agency have **a patchwork of remote sites that struggle to stay connected**? Do you find that employees at those sites aren't able to be as productive or to work as efficiently as they should?

HughesNet Gen4 Internet Access Solutions

<http://pages.myhughessolutions.com/g80k1Fj0Z002MA0uV0004I9> is the answer.

HughesNet Gen4 Internet Solutions deliver **reliable, high speed connectivity with speeds up to 15 Mbps*** – across all your agency's sites, no matter how remote the location or how intensive the demand.

Built for Broadband Everywhere

- Ideal for locations **where DSL and cable can't reach and T1 is too expensive**
- Extra allotment of Anytime data allowance

- Exciting new service plans
- Generous Business Period data allowance
- Now available on **GSA Schedule 70 #GS-35F-0907P**

Don't wait. Get high speed, robust capabilities for ALL of your locations!

***Available speeds dependent upon service plan and your location.**
