Hi Brian,

My Name is Alyssa Madruga. I am one of the producers for our new show, "Tipping Point" here at One America News Network, her name is Liz Wheeler. Here at OAN we offer a different kind of viewers than Fox or CNN, we allow the chance for the viewers to hear all the facts and give them unbiased news, so when they watch our political talk shows they have a chance to decide where they stand. Liz's talk show is on week nights M-F at 7pm pst/ 10pm est on One America News Network. One America News network is a national TV news network airing on Verizon Fios, channel 116. AT&T U-verse, channel 208, and Century Link prism, channel 209. One America News Network is a new credible source for national and international headlines. An independent, cutting edge platform for political discussions. OANN has a Washington D.C. Bureau and also do interviews at the Capitol Building and also do interviews via skype.

Liz is a 26 year old, young conservative hailing from the heart of the Midwest. During college, Liz served on the Board of Zoning Appeals for her hometown in Ohio (and was the youngest person in the city's history to hold that position). At the same time, Liz co-authored a book with 13 other young Americans about being a millennial generation conservative. The book, titled, "Young, Conservative, and Why it's Smart to be like Us" reached #2 on Amazon's Kindle bestseller list in the "civics" category. Liz has spoken to conservative groups and at GOP events about the role of government in our society and how to win the youth vote, and has been interviewed on several radio shows nationwide. In the past, Liz worked with military veterans seeking employment after their service. Liz also ran her own independent consulting business focused on digital advertising and social marketing. Liz is a graduate of Penn State University, with a bachelor's degree in Political Science and a minor in Homeland Security.

We were wondering if Gov. Haley would be available to interview with her, either Thursday Jan. 14th or Friday Jan. 15th between 5-6pm EST discussing her SOTU Response. Please let me know if she is interested so we can work out a date and time, or if you have any questions or concerns. Thank you
