Katherine,

Would it be possible for us to just talk by phone tomorrow morning? I am under the gun to get a budget presentation out to our corporate group as well as completing reading for my hearing. Just let me know what times work for you, and I will work around your schedule. Thanks.

Mike

Mike,  
Attached is information about the First Gentleman's Invitational – please don't disperse. We can review tomorrow morning as well as reviewing the Senate.  
Below is Senator Pinckney's contact information – you spoke with him briefly in the Senator Chambers. I told him I would send you his contact.  
See you tomorrow at Carolina Café at 7:30 a.m. Please let me know if any changes.  
Thank you,  
Katherine
