Christian,

Dave and I spoke to Sam Wilkins this morning worked out the agenda item. We'll both be at the May 8th meeting. Please let me know if anything unusual occurs at agenda review.

Since you're at NESAs, I'll write instead of calling today. I spoke with Marcia Adams earlier this week – at the time, they were still developing the language for the Board's agenda item. We should receive a copy of their draft on Monday.

Ted will attend the agenda review meeting on Tuesday, so we should have a clearer indication of how the prospects look at that point. We're expecting a fairly packed Board agenda for the May 8<sup>th</sup> meeting. Thanks.

I am out most of the rest of the week until Friday—at which time I will be with Fred at a NESAs meeting. Maybe we can speak either before or after our meeting.

Presidents Carter and DeCenzo,

We have asked to have the adoption of the HR report placed on the Budget and Control Board's agenda for the May 8<sup>th</sup> meeting. Sam Wilkins will likely reach out to one or both of you shortly, to request your assistance in preparing the text of the actual agenda item.

Ted and I would be glad to have a brief call with you later this week to discuss outreach in advance of the meeting, if you're interested. Thanks.
