Bloomberg News South Carolina Candidate Survey

Hi Kevin L Bryant,

Ahead of the 2018 elections, Bloomberg News is trying to learn more about who's running for office and we're reaching out to Gubernatorial and Congressional candidates for assistance.

Early filings show there will be a larger than normal number of candidates this year, and we're trying to learn more about who they are and what's motivating them to run.

We'd appreciate if you could help us by answering a few simple questions about yourself . We'll be using the survey results as part of a larger story looking at the types of people who ran for office this year, and what motivated them to do so.

The questions are [on this link](#). The survey should only take a few minutes to answer.

Thank you for your time, and if you have additional questions, please reach out at [Congress2018@bloomberg.net](mailto:Congress2018@bloomberg.net).
