It's really Halti – I have just helped with the legal side of what can be accepted. How about I forward this top part to Halti and let her check in with the governor.

Thanks Austin. While we're engaged on Hurricane Matthew, I did want to let you know that we're going to work with our hospitals to try to make a significant contribution to the One SC Fund for those affected by the storm. Do you think it would be possible to meet with the Governor and do a formal check presentation with our Board members? Our next board meeting is Nov. 18, but we are flexible.

No hurry on a response as I know ya'll got a lot going on.

And let me know if Costa came through and if there is anything else I can do.

Thanks,

Schipp

Schipp,

I looked up Beaufort Memorial in the [EMD map](#). Assuming I have the right address, it looks like Evacuation Zone A, so the attached mandatory medical evacuation would have applied to them.

I'm copying David Wilson at DHEC for confirmation.

Thanks,

Austin
