

I voted for you Governor Haley. I voted Republican last week and now you can vote for me. Please see the enclosed documents. I think this is a political issue that they do not allow me to work with my truck. I need my Governor to give me a pardon to be able work on my property as I see fit.

I am not a criminal, I only want to work. Even President Clinton pardoned 456 people while he was in office. The people who run the Spartanburg County Offices at 366 Church Street are partial to the millionaires in the area not poor people like me. I really need your help urgently in this matter.

February 8th, 2016

My name is Steve Massalis, I own the property located at the corner of Hwy 101 & Hwy 417, I am a disabled senior citizen. I am also a licensed food vendor and I would like to place a food vending truck on my property in order to serve our community. This would also allow an opportunity for me to provide for my family as well. I have worked hard all my life yet I do not ask for anything from my community except for the opportunity to earn the community's trust and make a living in the only way I know how.

Unfortunately, the Land Management office of the County of Spartanburg is opposed to allowing me the use of **my own property** as a location to operate my food vending truck. As a responsible and law abiding small business entrepreneur I have followed all ordinances and laws to prepare my property for my intended use only to be told that I cannot use **my property** year-round, I am limited.

I am limited by the County of Spartanburg to use my property for only three months and then I am **forced** to completely vacate it for the following nine months at which time I can again use the property for another three months only to once again be forced to vacate for another nine months and on and on in this fashion. With these restrictions in place, there would be no way to me to open and operate a successful food vending business.

This letter is a petition intended to appeal to your sense of fair play. As a small business entrepreneur who only wants to try to make a living, I need your support. I am planning to go to court to appeal the County of Spartanburg's decision and for the right and opportunity to use my land for my purposes. It is with this in mind that I send this letter.

As I mentioned earlier, this is a petition and I humbly ask for your support in the form of a signature. I've enclosed a self-addressed stamped envelope for your convenience. If you do or do not support the placement and year-round operation of my food vending business at the corner of Hwy 101 & Hwy 417 indicate your choice, sign below, detach, place in the enclosed self-addressed stamped envelope and place in your nearest mailbox.

I thank you for taking the time out of your busy schedule to read this. I look forward both to your response as well as the opportunity to serve our community. Thank you once again and I hope you have a pleasant day!
