

State of South Carolina Office of the Governor

NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

The advancement and reform of education in South Carolina is not simply a matter of funding for schools and supplies. Our teachers are on the frontlines of providing quality learning opportunities for our young people, laying the foundation upon which stands their future success. Without the hard work and dedicated efforts of our educators, few children would develop the interests and gain the tools necessary to embark on a rewarding career. From scholarships and grants for continuing education to mentoring and encouraging the professional growth of members, Alpha Eta State Organization of Delta Kappa Gamma Society International plays a vital role in supporting education in the Palmetto State. I am thrilled to receive an Honorary Membership in your organization and look forward to our working together to effect positive reform in education. God bless.

My very best,
