Subject: Workforce Training Initiative

Mr. Speaker,

Hope you are well. We appreciate your willingness to put back into the budget both the Governor's rural teachers initiative and her workforce training initiative. I believe Patrick already has information regarding the rural teachers initiative (per an earlier conversation on Tuesday).

Attached is information regarding the workforce training initiative. Please let me know if you have any questions or concerns.

Hope you both have a wonderful weekend. Please let me know if you need anything.

Thank you,

Katherine
