# Does our coverage map look like your network's outage map?

The approximate 4G LTE coverage is from publicly available information gathered prior to 2/15/16. This does not show exact coverage. Wireless service is subject to network & transmission limitations, particularly near boundaries & in remote areas. Customer's device, weather, topography & other environmental considerations affect service, which may vary significantly in bldgs. Most recent 4G LTE coverage may be available at [vzw.com](http://vzw.com).

**Switch now and  
get up to \$650.**
