Hello Tony –

Please note, we have not forgotten about your query. With the weather situation, it has been difficult to get all the appropriate parties together at one time to discuss this. You should hear back from us this week on this. Thanks in advance for your patience.

Kindly,

Ron

**Subject:** Question about Title III

Ron,

I am asking for clarification regarding the distribution of Title III funds. After the initial distribution per the IFF, is there a prohibition on realigning both service and administrative dollars. In the past I have only adjusted the service dollars, but now I want to also move the administrative dollars. I want to provide the admin. dollars to the AAA delivering the services.

Any information you can provide on this would be very helpful.

Tony
