Monday sounds good. I still have that section highlighted with a huge question mark on my draft, so I welcome thoughts.

Thanks for the heads-up. Do you have a few minutes on Monday when we could briefly touch base?

Also, I had a number of clever responses to the Confederate Memorial Day thing, but upon reflection, decided that none of them needed to be in email.

Christian,

As far as I am aware, we are still moving towards doing this next Tuesday (standard staff disclaimer here). We have identified a few areas that will need to be amended on the Floor. For example the 147 FTEs deleted in last year's bill is a dated number and needs to be reduced to a more manageable level. Also, given everyone's desire to keep the successor entity at 5 we might need to monkey around with our Procurement Review Panel language to keep everything lined up with that intention. Nothing major, more clean-up than anything. Let me know if y'all have any thoughts/concerns. Take care and be sure to enjoy your Confederate Memorial Holiday - Paul
