Eric,

Sorry! I sent this to what I thought was your gmail account last Thursday after our phone call. (see email below)

Steve Draffin did receive this and is currently working on it. I was also told that Patrick is working on an amendment. He plans to meet with me this afternoon.

Katherine and I will talk to you again after my meeting with Patrick.

Hi Steve,

Per my conversation with Rep. Bedingfield today, he has asked if I could ask Legislative Council to prepare the attached amendment. It is based on an amendment that you had already prepared for him but incorporates judges under the jurisdiction of the State Ethics Commission.

In drafting this amendment, I intentionally put provisions related to judges in separate sections.

Please call me or Rep. Bedingfield, copied, if you have any questions.
