To verify --- that's 12:01 a.m. Wednesday? I thought it was noon Wednesday, but maybe I just heard 12 on Wednesday and thought that meant noon.

Happy Sunday, I hope you had a great weekend!

I wanted to follow up on our Friday conversation to let you know that tomorrow's sit down with the governor is scheduled for 1 PM in the governor's office at the Statehouse. Please feel free to bring a still photographer.

As a reminder all content is embargoed until 12:01 AM Wednesday.

Thanks so much, and please let me know that you have received this email.
