**a. Reduction in Pay for Council Members**

During the April 28, 2010 Budget Workshop, the proposal to reduce council's pay was discussed. State Law requires this to be done by ordinance, which will take three readings and a public hearing. Along with this, a salary adjustment could not take affect until January 2011 and would be locked in for two years. In light of going through all of this, the easiest way for council to participate in the furloughs that the full-time employees are enduring is for Council to simply write a check back to the County for their portion that equates to five furlough days.

Council Member Johnson made a motion that Council would reimburse the County for their portion being equal to five furlough days. All council members unanimously seconded the motion. The motion passed with a unanimous vote.

**b. Training/Travel**

Council Member Brumley made a motion to eliminate Council's travel and training and all non-mandated travel for all departments. All mandated travel to be determined by Department Heads and Administrator. Council Member Plyler seconded the motion. Voting in favor of the motion was unanimous.
