at 23:47:47 on 10/07/2021 UTC

Donovan Hixson Bland Epps yeah don't want to promote the racism and history of slavery too much.

Donovan Hixson This place is like a Creationist Museum where they put on a show like Earth is only 4000 years old and evolution isn't true. Where's the Black slaves? Where are the Whites beating and raping the slaves? Talk about some white-washed bullshit.

at 9:27:04 on 10/11/2021 UTC (*hidden*)

Bland Epps Donovan Hixson Get a real education.

at 10:32:25 on 10/11/2021 UTC

Ben Thweatt Bland Epps There was never a Confederate soldier at any point in any of these photos. I take part along with the rest of the volunteers there as 17th century militiamen. You realize the civil war happened 200 years later right?

at 6:10:47 on 10/12/2021 UTC

Bland Epps Ben Thweatt Yes I do. I was also a reenactor and we used to have our meetings at Charlestown landing at the old movie theater I was with the palmetto battalion the 10th Randy Burbage was our captain. George Nallman was our lieutenant I did see a picture of a confederate soldier in uniform. Connected with Charlestown landing pictures it may not have been that particular one along with the Venture in a picture to the side of it. But I did see one. If I find it again I will send it to you.
at 7:24:25 on 10/12/2021 UTC

Donovan Hixson Bland Epps regardless, no Confederate soldier is better. No need to celebrate that crap like those were admirable people and not the POSs that they were.
at 8:35:23 on 10/12/2021 UTC

Bland Epps Donovan Hixson Staying ignorant to the reality of History and living through The voice ignorant naysayers is just another road to live a lie! In case you haven't noticed Denial is not a river in Egypt.
at 8:56:14 on 10/12/2021 UTC

Donovan Hixson Bland Epps that is one of the stupidest comments anyone has ever made on Facebook.

Susan Walker Too expensive and don't like the remodel

at 10:34:55 on 10/15/2021 UTC

Grace Tyson Rankin Qwana Qwana Charlestowne landing is not a plantation site. It was a first settlers site and battlefield.

at 22:03:52 on 10/21/2021 UTC

Qwana Qwana Grace Tyson Rankin smh... it was a slave port

at 22:19:15 on 10/21/2021 UTC

Grace Tyson Rankin Qwana Qwana I didn't realize that. Actually, the first noted 1670 first settlement. History is important. We learn and hopefully grow from it.

at 3:09:54 on 10/22/2021 UTC

Ben Thweatt Qwana Qwana it is a historical site that has to be remembered. The museum on site does a great job of discussing everybody who live there, including enslaved people. My grandfather survive the holocaust, and I'm happy that concentration camps still exist so people can learn the past and not repeat it

at 19:04:51 on 10/22/2021 UTC

Grace Tyson Rankin Ben Thweatt I appreciate your thought. Both my husband and I have quite a bit of Native American heritage from 4 tribes. We appreciate historical sites that have preserved history although it's very sad to think about how they were treated and murdered.
