

July 19, 2016

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

Restaurant Depot and the Greater Mauldin Chamber of Commerce are very pleased to announce that Restaurant Depot will be celebrating the Grand Opening of its new facility at 1060 East Butler Road in Mauldin, SC on Thursday, August 3, at 9:00 am.

As you may know, Restaurant Depot is the leading low-cost alternative to traditional delivery and credit-based food service suppliers. Their current existing facilities that are closest to the Greater Greenville area are located in Charlotte, NC and Norcross, GA, so this is an exciting time for Restaurant Depot and for the Mauldin and Greater Greenville area restaurants that will now have local access to their services. In addition, Restaurant Depot's presence in the Upstate will provide numerous new job opportunities for South Carolina residents and potential residents.

We cordially invite you to attend the Grand Opening/Ribbon Cutting event for Restaurant Depot on Thursday morning, August 3, at 9:00 am. While we realize that you have an extremely busy schedule, it would truly be a great honor for Restaurant Depot and for the Greater Mauldin Chamber of Commerce to have you attend this special event. We would be so pleased if you would also consider giving some opening remarks if you are able to attend. Enclosed is a flyer that will give you additional details about the event.

We appreciate your thoughtful consideration of our invitation to Restaurant Depot's Grand Opening event and will look forward to hearing from you.

Sincerely,

Timothy P. McDonnell
Marketing and Sales Director
Southeast & Midwest
Restaurant Depot

Pat Pomeroy
