## **Merry CHRISTmas!**

Dear Friends:

### **Merry Christmas!**

'Tis the season of joy and I hope your heart is full of holiday spirit. To those who are having a difficult time, I pray that this Christmas season grants you the strength to never give up and a special helping of peace. With faith, courage and hope, dreams are achievable.

Although our nation is troubled on many fronts and lacks decisive leadership, we must never give up. To get our country back on course, we need to bring wisdom, virtue, equity, humanity and common sense back to government and our decision making process so we can best solve the real problems that confront us at all levels. We each need to do our part and stand-up for what's right. We must not let a tiny minority take us off-course. I have faith there will be a re-awakening of the American spirit and America's best days are ahead.

I thank God for our bountiful blessings and the gift of His Son.  
From our home to yours - May God bless you with determination and happiness and may the spirit of CHRISTmas live in all our hearts throughout the coming year.

In your Service,

***Bill Taylor***

I was accompanied by my little 'Elf Helpers', granddaughter Avery and my wonderful wife, Donna, in ringing the bells for the Salvation Army Annual Kettle Drive as part of the Aiken Rotary Club's annual day of bell ringing.

This was our granddaughter's fourth year of helping out!
