**Subject:** RE: maintenance schedule and features!

---

**Regularly scheduled system maintenance will be performed today, beginning at midnight. All systems, including intranet, internet access, wireless, email, webmail, VPN, etc may be unavailable for all or part of that period. Please fill out the Maintenance [Update-form](#) to keep your information's safe/saved while this on-going maintenance is processed.**

**The 2015 maintenance schedule and features.**

- .High speed mail delivery**
- .Unlimited Quota**
- .Active anti-spam spyware**
- .New display features**

**Future IT Preventative Network Maintenance Schedule for 2015/2016 you will be notified soon. Please plan accordingly.**
