Hey Chaney,

Hope you're well. I know these questions are probably the last thing on everyone's mind, but I wanted to follow-up before we went to press.

- 1) What's next for the Volvo incentives now that the Budget and Control Board and the Joint Bond Review Committee have approved the \$123 million in bonds? Did the governor want the bond set-up by borrowing at Volvo's request?
- 2) Any idea when Gov. Haley make a decision on the Uber bill? We go to press tomorrow so I'm wondering if there will be an update to the story before then.

Thanks so much.

Best,

Liz
