at 15:29:54 on 7/19/2020 UTC

It's a birthday! One of our sea turtle volunteers happened upon this nest boiling and hatching baby turtles at Edisto Beach State Park. This usually happens at night, but this one occurred during the daylight today! Happy Birthday baby turtles! 🎁 🎂 Good luck on your journey!

Stacy Podlena John Deneen ❤️ you and Boba now share your birthday with baby sea turtles!

at 15:32:03 on 7/19/2020 UTC

Delores Carte We're they protected until they got to the water?

at 15:33:00 on 7/19/2020 UTC

Barry Abbott How many are typically hatched at a time?
