Subject: SCDMV

Good Afternoon Ma'am,

I am following up on the documents that were forwarded last week regarding my daughters Drivers license, and our struggle to get SCDMV to function properly. Unfortunately, it is now apparent some official DMV documents were changed to bolster SCDMV's position. Not only is that disappointing, but a question of good ethics. I am available to speak on the phone or in person. We understand it is a very busy legislative period and appreciate any time you may spend on this inquiry.

Sincerely,

Thomas Kurtz
