Ok thanks! We are having a discussion and we all "phoned a friend" .

I am doing well.

I would add the comma, but I personally tend to overuse them. Hope you are well!

Cheryl,

I need my punctuation guru....when you right dates in the middle of a sentence to you add a comma after the year?
For example –

The document was signed October 14, 2016, and blah blah blah.

We are taking a poll between the lawyers. Would you put the comma or not? J
