Hello Miss Rowser-Bey, How are you doing, great I pray. Have you heard from the Boys and how are they doing?

Be bless

Hello Pastor Davis, hear a copy of today's conversation - with the said Boys...; I will be getting back on the LINE by next week/and/or after! I have provided the "BOYS" with my FINAL research DRAFT...which will indeed assist in the PROPER AUTHORITIES in Immediate Freeing of the said "BOYS".

May Yahweh continue to be with you pastor, and ALL the CCG/and!! the YET! BLACK FARMERS members Participants.
